sive, for the State Election, and until 10 P.M., on August 21, and October 9, 1990.

In answer to many requests for special registration under Mass. General Laws Chapter 51, Section 42B, at schools, colleges, nursing homes, and other principal places of activity, extra sessions were held to satisfy these requests.

Physically disabled: In accordance with the provisions of Chapter 196 of the Acts of 1946, as amended, persons who were eligible to register and vote but unable to appear at a registration office due to physical disability were registered in private homes or health care facilities in which they resided at the time of their requests. Persons so registered or found on the voting list were furnished with an application for absentee ballots.

NUMBER OF VOTERS

At the City Election, held on November 7, 1989, the number of registered voters on the list was 244,821. The number of voters on the first list published by the Board for 1989 was 233,435. From that time to the close of registration for the City Election there were added the names of 11,386 voters. Included in this figure are the names of 4,285 voters who were restored to the voting list without registration under the provisions of Chapter 244 of the Acts of 1947, as amended, and Chapter 555 of the Acts of 1973, as amended. The number of voters on the day of the City Election, held on November 7, 1989, was 244,821, a decrease of 24,067 below the number of voters on the list preceding the City Election. The number of voters on the final list was 244,821.

NOMINATION PAPERS, REFERENDUM, AND RECOUNT PETITIONS

The Board received 1,654 nomination papers for the City Preliminary Election on which 42,450 names were certified; 4,376 initiative petitions on which 78,918 names were certified; and 40 recount petitions on which 601 names were certified. A total of 6,070 papers were filed on which the names of 121,969 voters were certified.

RECOUNTS

A recount of votes cast in the City Preliminary Election for the office of District City Councillor in Districts 4 and 6

was held on October 5, 1989. The recount in District 7 was held on October 17, 1989.

The recount of votes cast in the City Election for the office of District 4 School Committeemember was held on November 21, 1989.

REVISION OF THE VOTING LIST

The names of 8,496 voters were stricken from the voting list by reason of death, removal from the city and other causes.

JURORS

As provided under Mass. General Law, Chapter 43, the office of the Jury Commissioner has assumed the responsibility for the selection of jurors in Suffolk County. A list of all residents in Boston was provided the Jury Commission prior to June 1 as required by law.

PUBLIC LAW 98-435

The Board of Election Commissioners undertook a survey of all the City's polling locations for compliance with the Voting Accessibility for the Elderly and Handicapped Act, Public Law 98-435. All sites are to be in compliance by September 1986.

ABSENTEE VOTING

Absentee voting applied to the State Primaries and to the State Election in accordance with Chapter 632 of the Acts of 1968, Chapter 920 of the Acts of 1971, and Chapter 123 of the Acts of 1966, as amended, regulating the method of processing and counting absentee ballots made it mandatory that, after the processing and examination of the affidavits in the central office is completed, the absentee ballots must be sent to the precinct polling places to be cast and counted; then the said count of absentee ballots cast had to be added to the count of votes cast by use of the voting machines, so that the precinct total could be recorded and reported at the precinct level.

Chapter 267 of the Acts of 1975 allowed that absentee ballots received on election day shall be processed and examined in the central office and may be counted at the office at the hour of closing the polls. After the canvass and the

count has been completed, each precinct tally sheet, official returns book and check list shall be amended when delivered to the central office.

Chapter 368 of the Acts of 1966, further regulating absentee voting, made it possible for a registered voter who would be absent from the city on the day of the election, and who had no mailing address outside of Boston to which a ballot could be mailed and seasonably returned in time to be sent to the polling place before the close of the polls on election day, to receive a ballot in hand and vote by such ballot in the central office before he departed from the city.

On July 21, 1984, the Governor signed Chapter 241 of the Acts of 1984, "an act further regulating absentee voting by certain overseas citizens of the Commonwealth" to be effective immediately.

The new law makes two changes in the law for Massachusetts residents who are absentee voters outside the United States.

1. For all primaries and elections, the law eliminates the present requirement that these voters vote in the presence of an official and have their signatures notarized on the inner absentee ballot envelope.
2. For State general elections only (for example, the November 6, 1984, Presidential Election), the law requires you to count absentee ballots mailed by voters on or before election day, if you receive them on or before the tenth day after the election.

Set forth below are statistics relating to absentee ballots for the State Primaries and State Election 1990.

DISTRICT REPRESENTATION

In accordance with Chapter 549 of the Acts of 1977, further amended by Chapter 605 of the Acts of 1982, the City Council passed an ordinance establishing nine City Councillor Districts and nine School Committee Districts to take effect for the 1983 City Preliminary and City Election.

The Board was advised by the Corporation Counsel that a Federal Court Order had struck down the City Council Ordinance and ordered a new delineation of several precincts of the city into new districts and further ordered the City to set new election dates if required.

The above changes resulted in a Home Rule Petition being drafted by the City Council and passed by the Legislature, designating new dates for the City Preliminary and City Election. Also, resulting in a redrafting of the political calendar for the year 1983. (Copies of the above Acts, Orders and Ordinances are on file in this office.)

**VOTES CAST ON LAW PROPOSED BY INITIATIVE PETITION
STATE ELECTION, NOVEMBER 6, 1990**

QUESTION 2

Law Proposed by Initiative Petition

SUMMARY

The proposed law would place restrictions on the State's use of consultants. It would place various limits on the amount of profit, overhead charges and expenses that the State could pay consultants. It would limit the duration of consultant contracts to two years and any extension to one year, and it would limit the degree to which such contracts could be changed to require payments in excess of the original contract. The proposed law would limit to \$100,000 the amount the State could pay on a consultant contract with an individual and would require all other consultant contracts in excess of \$25,000 to be sought through competitive bidding. It would prohibit consultants from supervising State employees, and it would limit the use of consultants as substitutes for State employee positions.

In addition, the proposed law would place limits on the total amount of money State agencies, departments and Authorities could spend on consultants each year. Subsidiary provisions would also establish a method for these entities to gradually come into compliance with the new spending limits and would give authority to the State Secretary of Administration and Finance, on request, to permit some spending in excess of the new limits. The proposed law would also require State agencies, departments and Authorities as well as the Secretary of Administration and Finance to submit yearly reports concerning the State's consultant contracts to certain legislative committees and to the Inspector General.

Finally, the proposed law provides that any of its provisions, if found by a court to be unconstitutional or otherwise unlawful, would be severed from the law and the remaining provisions would continue in effect.

STATE ELECTION, NOVEMBER 6, 1990

QUESTION 3

Law Proposed by Initiative Petition

SUMMARY

This proposed law would change the state income tax rate, affect language contained in certain tax provisions, and regulate the setting of fees by state agencies and authorities.

The proposed law would set the state income tax rate on Part B taxable income (in general, earned income) at 4.25% for 1991 and 4.625% for 1992, except for income from unemployment compensation, alimony, Massachusetts bank interest, rental income, pension and annuity income, and IRA/Keough deductions, which would be taxed at 5%.

The proposed law also provides that the fee imposed by any state agency or authority shall be no more than the fee that was in effect on or before June 30, 1988. The state Secretary of Administration would determine the amount to be charged for any service, registration, regulation, license, fee, permit or other public function, except for the rates of tuition or fees at state colleges and universities or any fees or charges relative to the administration and operation of the state courts. Any increase or decrease in a fee, or the establishment of any new fee, would require the approval of the Legislature. Any increase in a fee would not apply to persons 65 years of age or older. No state agency or authority could collect any fee which exceeds the administrative costs directly incurred by the state agency or authority to produce and process the application for any license or permit. The Secretary of Administration must report information concerning fees to the Legislature on an annual basis.

The proposed law provides that for tax periods commencing on or after January 1, 1991, language in certain provisions of the Massachusetts general laws relating to taxes shall be the same as it was on August 2, 1989, or the effective date of the proposed law, whichever language yields less tax revenue. The tax provisions affected include sections relating to the surtax on business income, corporate excise taxes, S corporation taxes, taxes on security corporations, taxes on Part A income (in general, unearned income), bank taxes, excise taxes on alcoholic beverages and cigarettes, excise taxes on deeds, estate taxes, payments to the Commonwealth relating to horse and dog racing, payments to the Commonwealth relating to boxing and sparring matches, taxes on utility companies, gasoline taxes, taxes on insurance companies, excise taxes on motor vehicles, taxes on urban redevelopment corporations, sales tax, use tax, room occupancy excise tax, property taxes, and taxes on proceeds from raffles and bazaars.

The proposed law also contains a provision that if any sections of the law are held to be invalid, all other sections of the law are to remain in effect.

QUESTION 4

Law Proposed by Initiative Petition

SUMMARY

This proposed law would change the state election laws governing the establishment of political parties and the nomination of candidates.

The proposed law would allow voters to register under a political designation other than "Independent" and in addition to the two political parties previously recognized by law (Republican or Democrat), if at least fifty voters request to be permitted to do so. It would allow any group to qualify as a political party under Massachusetts law if at least one percent of the total number of registered voters register to vote using that group's political designation, or if at least three percent of the votes cast at the preceding election for any statewide office were cast for a candidate running under that group's political designation.

The proposed law would set the minimum number of signatures needed on independent or minor party nomination papers for state office at one-half of one percent ($\frac{1}{2}\%$) of the entire vote cast in the previous state election for governor (as compared to 2% as of 1989), and would also establish this number of signatures as the upper limit needed for major party candidates. The proposed law would also permit voters to sign the nomination papers of any number of candidates for the same office, would require that all blank forms to be used for nomination papers and initiative and referendum petitions be no more than 8½" by 14" in size, and would allow signatures to be collected on exact copies of those forms.

QUESTION 5

Law Proposed by Initiative Petition

SUMMARY

This proposed law would regulate the distribution to cities and towns of the Local Aid Fund, which consists of at least 40% of the revenue generated by the state income, sales and corporate taxes, as well as the balance of the State Lottery Fund.

Subject to appropriation by the Legislature, the State Treasurer would distribute the Local Aid Fund to cities and towns on a quarterly basis, and each city or town would receive at least the same amount of local aid it received in the previous fiscal year unless the total Local Aid Fund decreases.

In fiscal year 1992 if there has been any increase over the fiscal year 1989 fund, half of the increase would be distributed in accordance with the distribution formula used for fiscal year 1989 and half would be distributed to each city and town in proportion to its population.

In each year after 1992, if the fund increases, the excess would be distributed through a formula devised by the state Secretary of Administration and Finance, with the advice and consent of the Local Government Advisory Committee. If the fund decreases after 1992, each town or city will have the amount it receives decreased by the same percentage.

This proposed law also requires that the Treasurer publish an annual report about the Local Aid Fund, that the state Auditor publish an annual audit of the Account, and that the Secretary of Administration and Finance issue to each city and town an estimate of funds it will receive from the Local Aid Fund.

Each city or town would be allowed to bring a lawsuit to force distribution of the account, and would be entitled to a late payment fee if distribution is not timely.
